Sea Island Development Centers

Searching for Quality Child Care?

Visit our centers at:

LOCATION: HOLLYWOOD: 6326 Hollywood Drive, Hollywood, SC 29449

EDISTO: 1786 Highway 174
Edisto Island, SC 29438

FACILITIES: Childproof classrooms, secure indoor/outdoor play area.

PROGRAM: Learning and Play centers that promote interaction between child/caregiver and activities that promote cognitive, social and emotional, and physical development for infants/toddlers and pre-schoolers full time.

STAFF: Certified and Credentialed Staff who commit themselves to creating and maintaining a structured, caring setting where children can learn and grow at their own pace.

VALUE: Some of the lowest rates in the area. Call us. We will be happy to show you around and answer any questions that you may have.

Preparing Children for School

Admission Policies & Procedures

Eligibility for day care service is determined by the Department of Social Services, ABC Voucher and/or Sea Island Comprehensive Health Care Corporation.

Each child is assessed a weekly fee based on family income and a fee schedule is established by the State Health and Human Services Finance Commission.

Priority is given to children whose parents are working, in training or in an educational program.

Items to bring for registration by the parent:

- Child's birth certificate
- Immunization records
- Medicaid card
- Social security numbers of responsible adults in the household.

Forms that are completed during registration:

- Day Care Application
- Income Eligibility Application
- Food Program Application
- Health Statement
- Field Trip Permission
- Emergency Treatment Permission

Before the child is enrolled at the center, a physical examination must be performed by qualified medical personnel, whose report will be kept on file in the center.

Parents must re-register their children once a year to bring records up to date.

Child Care Services

The **SICHCC Early Childhood Development** center is a full year-round child development service provider that has been in operation since February 1, 1995. The center serves children 6 weeks to 4 years of age.

The **SICHCC Child Development Program** is designed to stimulate the intellectual, emotional, and social development of children served, including attention to their health and nutritional needs.

SICHCC Early Childhood Development Centers

curriculum includes Learning Centers and various topics that encourage early Math, counting/sorting, Language Development, listening, speaking, vocabulary, role-playing, storytelling, and science.

Children are engaged into different learning centers that allow them to make decisions and choices for the day. The centers are licensed by the South Carolina Department of Social Services under the regulations for private and public child day care centers, and South Carolina code of laws and other applicable state and federal laws.
